To All Federation of Buddhist Women's Association Leaders,

It gives us great pleasure to announce that JTB USA and Kintetsu International are working together to bring you Pre and Post-Convention Optional Tours for the 2015 World Buddhist Women's Convention in Calgary. We have consolidated the number of tour options to five, one Pre-Convention and four Post-Convention Tours, to allow us to present the best pricing for each option for individual travelers:

1. Eastern Canada Tour 8 Days (Post Tour)
2. Canadian Rockies Tour 3 Days (Post Tour)
3. Canadian Rockies Tour 5 Days (Post Tour)
4. Western Canada Tour 7 Days (Post Tour)
5. Western Canada Tour 7 Days (Pre-Tour)

We realize that not all Buddhist Churches have a large enough number participation to form their own group tour with customized itineraries. Thus, we have created these tour options to bring together such individuals or small number of participants from various temples to form a group, so they too can enjoy sightseeing in Canada before or after the convention.

In order to assist us in anticipating the number of participants for each tour, we would like to request each church to advise an estimate as to which tour may be of interest to your prospective Convention delegates. With the results of the survey, we will have a more accurate idea of numbers for each tour, thus allowing us to provide more accurate pricing. We would like to ask WBA Leaders to collect this information by Mar 30, 2014.

For churches that plan to form their own group with customized itinerary, there is no need to submit to this survey (unless there are individuals preferring an alternate tour from their church's planned group tour).

Thank you for the opportunity to assist with your travel plans to Canada. We look forward to hearing from you soon.

Kind regards,

JTB USA
